Party on Amani!

Rene Abdo running a flawless event

Having one of the best shows and parties of the whole Art Fair Season, **Humble Arts Foundation** is back!!
The show is a must see and the party well...if you were not there...so sorry for you!

A very well curated show, it has better art photography than most of the ones shown @ the art fairs.

Congratulations **Amani Olu** and curators **Jon Feinstein and Charlotte Cotton**. Great work.

Also **Rene Abdo** for running such a flawless event. Go and see this show!
