DOG STAR knows devoted readers will want to check out STREET SMART show at Affirmation Arts. This group show - only up until June 19! - brings together pioneers in street art such as Keith Haring with contemporary artists like Fairey and KAWS.

We especially like the mix of Robert Williams and Mark Ryden - two artists we don't typically think of street artists but whose sense of humor, attitude and swag is definitely street.

Our all-time favorite artist in this show is DOZE GREEN and [you can find more work by him here!](#)

Affirmation Arts is EASY TO REACH at 523 West 37th Street

Open Tuesday-Friday 10-6pm, Saturday 11-5pm, Closed Sundays
