YOUR DAILY GUIDE TO MODERN TRAVEL

PHOTO FEVER

If you're looking for a mid-week pick-up, join Area on Thurs, Oct 30 from 6-8pm at *Affirmation Arts*, a newly renovated art space located on the west side of NYC, for the opening reception of *Christophe von Hohenberg: A Cornucopia in Photography*. The event celebrates von Hohenberg's photographic accomplishments over a vibrant 30 year career.

If you can't make the opening, the exhibition runs from Oct 30 – Nov 6, highlighting a collection of von Hohenberg's most poignant photographs and features a vast range of work including portraiture, nudes, photographic essays, and images from his book, *Andy Warhol: The Day the Factory Died*.
